

Neighborhood Wildfire Workshops

May 5 & 12, 2018
8:30 a.m. to 12:30 p.m.

Are YOU Ready?

This free information day offers homeowners and community groups a choice of two focus areas:

- Wildfire Assessment Program training to evaluate and improve wildfire risk for homeowners
- How to achieve and maintain whole-neighborhood wildfire risk reduction efforts

Some presenters include: National Weather Service fire season forecaster; local fire agencies, Colorado State Forest Service, Firewise neighborhood leaders, wildland fire crew members, fire zone risk assessment trainers, risk reduction experts, mitigation contractors, and more.

Please pre-register to allow for sufficient materials and seating.

Learn how to measure the risk in your neighborhood, and how to
Prepare for High Fire Danger

May 5th
at Ute Pass Elementary;
May 12th
at Tri-Lakes Monument
Fire Station #1

Please register in advance:
